Specification/Datasheet

Levelling kit, models 6-half size, 10-half size

Article number

60.74.795

Description

The leveling kit allows infinitely adjustable leveling of tabletop units and Combi-Duos to compensate for installation surface height differences of up to 3/4 in (20 mm) (tabletop or floor).

The gasket ensures a hygienic seal, even when installed on tiles.

Intended use

This product is intended for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose and could be dangerous. RATIONAL AG assumes no liability for the consequences of improper use.
