DANTE SERIES LOW-PROFILE COUNTERTOP CHARBROILERS

SERIES: L-RS

Bakers Pride® L-RS series charbroilers feature a low-profile design and 15,000 BTU burners for energy efficiency and broiling performance. Models come in a range of sizes from 24” to 72” wide.

A continuously lit, cross-over pilot tube system makes lighting burners a breeze. Stainless steel radiants come standard, as do steel floating rod grates, which may be adjusted in two separate tilting positions for increased flexibility and temperature control. Fully insulated, double walls help with heat retention, while stainless steel interiors and exteriors make these charbroilers both durable and easy to clean.

This series also offers many options to suit your needs, such as Glo-Stones for enhanced flavor and work decks for added convenience.

FEATURES AT A GLANCE

- **L-RS Radiant - V-shaped radiant for each burner**
- **L-RS Glo-Stones - Ceramic coal screen**
- **Natural gas or liquid propane**
- **Steel floating rod grates (standard) or cast-iron or meat grates**
- **Continuously lit crossover pilot tube**
- **Double-walled, fully insulated construction**
- **Stainless steel exterior, interior, and combustion chamber**
- **Stainless steel radiants**
- **Comes with 4" Legs**
- **3/4” NPT rear gas connection**
- **Towel bar**
- **Standard 6" (152 mm) stainless steel work deck**
- **One-year limited warranty**

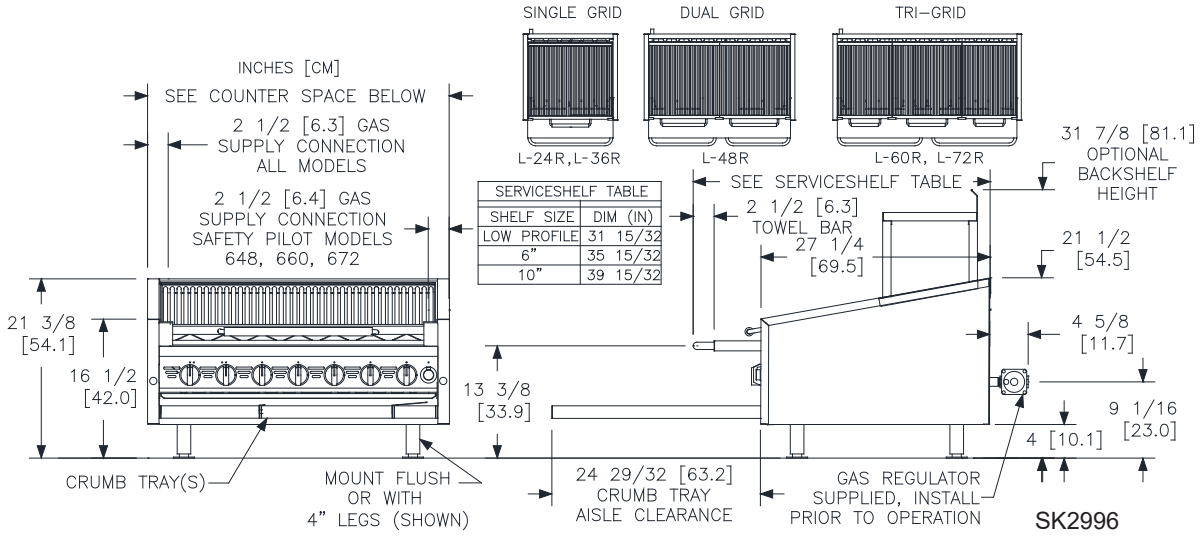

OPTIONS & ACCESSORIES

- **Cast-iron radiants**
- **Glo-Stones**
- **Gas connector hose**
- **Stainless steel splash guard**
- **Overhead back shelves**
- **Stainless steel equipment stand with casters**
- **10" work deck (Required for cut outs)**
- **High output burners**
- **Equipment stand (remove 4" Legs to install)**
