Wall/Backsplash Mounted Mini Towel Dispenser

General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Specifications

TD-L Model Wall/Backsplash Mounted Mini Towel Dispenser holds & dispenses 200 standard C-fold or 275 standard multi-fold paper towels.

The unit is constructed of 22GA stainless steel type 304 alloy 18-8. All exposed surfaces are #4 satin finish.

The unit is provided with refill viewer slots on each side & internal towel stack guides.

Dispenser door attaches to the bottom of unit with a concealed full length 3/16" diameter (Ø4.8) heavy duty stainless steel multi-staked piano hinge & held closed with a tumbler lock key.

Product Guide

Towels are self-feeding as withdrawn by hand until supply is depleted. Unit may be reloaded with a partial load in-place & will continue to feed properly. Low level of towel supply is indicated from 35% capacity to empty.

Unit is a reduced size model & has less capacity than larger models, therefore it is recommended to use this unit in space-restricted or low traffic areas.

Locking door prevents unauthorized access or removal.

Options

- ☐ Security/Correctional design includes security screws & wrench/no lock
- ☐ Stand-alone wall mounting
