FIGHTING FOR SAFETY WITH EZ-KLEEN™

It's you vs. hot grease. Scalding water and steam. Hazardous chemicals. Sizzling grills. With the new EZ-Kleen™ family of products in your corner, these kitchen safety hazards are no match for your staff.

San Jamar is putting on the gloves to help you knock out workplace injuries and lost productivity.

The EZ-Kleen family provides head-to-toe protection from burns caused by cleaning fryers, ovens and other cooking equipment, as well as blocking hot spills and splashes.

The durable construction, coated, non-stick outer shell and removable, washable liners mean that EZ-Kleen Mitts bounce back quickly and are ready for the next round in the battle for a safer, more sanitary workplace environment.

Protect your staff. Safeguard your profitability. Put the San Jamar EZ-Kleen Family of products to work for you.
