Specifications

MVS Model Microwave Shelf is constructed of 16GA Type 304 stainless steel and polished to a brushed finish.

Shelf has a 2" turn up at rear with 1½" down on (3) sides with ½" return at front. Shelf has 16GA stainless steel brackets with provisions for mounting.

18GA construction is available.

Product Guide

IMC stainless steel Microwave Shelf, you'll be able to keep your commercial microwave within easy reach without taking up your valuable counter space. It's also more space efficient than a microwave cart or stand, which can be bulky and block walking areas in your kitchen.

Made with durable stainless steel, you can be sure your microwave is secure and steady when you use this shelf.
