Adcraft 4 Bay Steam Table, in Stainless Steel

ST-220-4

Keep hot foods at the proper serving temperature with the Adcraft 4 Bay Steam Table. Built to handle the toughest of kitchen environments, this commercial steam table has four 8" deep open wells that are lined with galvanized steel. The unit has a heavy-duty stainless steel body and galvanized legs with adjustable bullet ends. This stainless steel steam table features individually controlled 750W heating elements with dedicated control switches. A red indicator light remains on while in use to inform the user which compartments are heating. An adjustable undershelf allows for convenient storage.
