

Oval Double Wall Bowls

DWBV16

BOWL, SATIN, DOUBLE WALL, OVAL,128 OZ.
16" L X 7-7/8" W X 2-7/8" H

Modern, minimal, and made to serve—these satin-finished stainless steel bowls bring quiet confidence to any setup. Their oval silhouette adds sleek sophistication, while double-wall insulation keeps contents fresh and appetizing longer. Mirrored interiors enhance the presentation, and the satin exterior adds just the right amount of contrast. From crisp salads to chilled seafood, these bowls are the understated stars of the buffet line.

A fresh take on the classic serving bowl, this 128-ounce oval double-wall design offers both style and function. The sleek stainless steel construction with a satin finish ensures a polished presentation, while the double-wall insulation helps maintain cold temperatures longer. Ideal for pasta salads, seafood displays, or chilled sides, this bowl makes buffet service effortless—because keeping food fresh should never be a race against the clock.
