FS-D
Drop Front Floor Sink/Utility Sink

General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Specifications

FS-D Model Standard Service/ Utility Sink is constructed of 16GA Type 304 stainless steel. Unit measures 24" x 18" x 12" deep with coved corner sink bowl, a built-in pitch to 2" IPS outlet with integrated full-height apron and notched out front.

Notched out front eliminates the need to lift heavy buckets and spillage of dirty water onto the floor.

Product Guide

IMC Utility Sinks are easily cleanable without the use of tools. All corners are coved, and all seams are fully welded and polished.

Rugged type 304, 18-8 stainless steel construction, engineered to stand up under day-in and day-out abuse.
