MSK
Portable Soak Sink

General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Model #MSK12

PROUDLY MADE IN THE USA

Specifications

MSK Model Portable Soak Sink is constructed of 16GA Type 304 stainless steel pitched to a 3½" drain opening. Sink has interior coved corners. Unit is mounted on 1⅝" diameter 16GA stainless steel legs and 5" diameter casters, (2) w/ brakes.

Crossrails are 1¼" 16GA stainless steel welded to legs for stability. Marine Edge on all 4 sides. Unit comes equipped with twist lever drain.

All welds are ground smooth and polished to a #4 finish.

Product Guide

IMC soak sinks are great for soaking dirty silverware prior to washing.

Mobile design allows the unit to be moved easily around the kitchen. Dirty silverware can be moved to cleaning area quickly.
