

Synergy Round Chafers

SYNSRD16

CHAFER, SS, ROUND, 9 QT.
15-1/2" L X 15-1/4" W X 5-1/8" H

When design, function, and elegance align, you get true synergy. These chafers shine alongside our BuffetBoost Collection, thanks to their flat-bottom construction that maximizes heat transfer and a hinged, tempered glass lid that keeps warmth in and lid clutter out. Add in premium stainless steel construction and timeless finishes, and you've got chafers that are as hardworking as they are elegant.

Turn heads while keeping food hot. The 3 qt. Hammered Synergy Chafer boasts a textured stainless steel finish that's both eye-catching and fingerprint-forgiving. Classic side handles make it easy to carry, while the hydraulic hinge delivers a smooth lid closure every time. The tempered glass lid keeps the heat in and the curiosity out—no need to lift and look. Its flat bottom syncs effortlessly with our BuffetBoost Warming Block, and an optional food pan (sold separately) opens the door for non-induction heating.
