

Synergy Round Chafers

SYNSRDHM16

CHAFER, SS, ROUND, HAMMERED, 9 QT.
15-1/2" L X 15-1/4" W X 5-1/8" H

When design, function, and elegance align, you get true synergy. These chafers shine alongside our BuffetBoost Collection, thanks to their flat-bottom construction that maximizes heat transfer and a hinged, tempered glass lid that keeps warmth in and lid clutter out. Add in premium stainless steel construction and timeless finishes, and you've got chafers that are as hardworking as they are elegant.

Why settle for ordinary when you can go for bold? The 6 qt. Hammered Synergy Chafer turns up the texture with a finish that not only dazzles but also disguises fingerprints. Its hydraulic hinge ensures the lid closes smoothly while the tempered glass top offers a peek inside without compromising heat. Pair it with our BuffetBoost Warming Block for top-tier heating, or grab the optional food pan (sold separately) for other non-induction setups.

- Stainless Steel
- Silver
- Dishwasher Safe
- Textured Finish, Buffet-Ready Versatility
